

The following freshman scholarships are available to Non-Florida residents through the Office of Undergraduate Admissions. Meeting or exceeding the posted criteria does not guarantee selection for a scholarship. For consideration:

- Apply ([usf.edu/apply](http://usf.edu/apply)) for admission and complete your application by the priority deadline of **January 2nd**; applications received and completed after this date may be considered on a funds available basis.
- Verify your residency classification by checking your application status at [my.usf.edu](http://my.usf.edu); you must be classified as a Non-Florida resident for tuition purposes to receive a Non-Florida resident scholarship. (Florida Prepaid card holders will be considered for Florida Resident Scholarships.)
- Maintain a post-secondary GPA of a 3.0 or higher, if completing dual enrollment or college coursework.

If selected for a scholarship, you will receive notification by mail. You may check the status of your application, view and accept any scholarships at [my.usf.edu](http://my.usf.edu).

You are only eligible to receive one of the Non-Florida resident scholarships; however, you may be eligible to receive one or more of the “stackable” scholarships in addition to the Non-Florida resident scholarships.

**Note:** Scholarship criteria is subject to change without notice based on availability of funds and institutional priorities.
