CAMPUS RECREATION – INTRAMURAL SPORTS**

**PUNT, PASS & KICK
Revised 9/18/08**

PLAYERS AND ATTIRE

Students will have three (3) attempts at a punt, pass, and a kick from the goal line.

SCORING

If the student steps over the goal line before the ball has left his/her hand or foot, then the attempt does not count.

For the attempt to be successful it must stay within the boundaries of the field.

The distance of the attempt will be recorded where the ball hits the ground in bounds and NOT where it finally stops rolling.

The distance to the left or right of the center line will be subtracted from the overall distance per punt, pass, and kick.

The best attempt out the three (3) attempts from each event will be added up to come up with the final score.

The individual with the highest total score will be the winner.
