

UNIVERSITY OF SOUTH FLORIDA CAMPUS RECREATION – INTRAMURAL SPORTS

GOLF Revised 9/18/08

GAME, COURSE, AND EQUIPMENT

Men play from the Dark Gold tees and Women play from the yellow tees.

Teams must consist of two (2) players to compete for championship.

Each player hits a tee shot.

Select the preferred shot and both players hit from that point.

The ball will be marked and played within one club length from the original spot – no closer to the hole.

If play originates in the hazard/bunker, the player whose ball is used must play first.

Continue in this manner until each hole is complete.

The first ball in the hole will be counted and will finish the hole, **so do not tap in with other players left to finish.**

The opposing team keeps your score.

Winners of each division will receive an Intramural Champion T-shirt.

Two (2) teams per organization may compete for sport points.

LENGTH OF GAME AND TIME CONSTRAINTS

Twosomes and tee times will be determined by the IM staff and are final.

Turn in scorecard to the pro shop at the end of your round.

Keep an accurate team score, hole by hole, and put both players' names on the scorecard.

Winners will be determined by the combined lowest team score.

TIEBREAKERS

All ties will be broken by matching cards with handicap holes, starting with #1.
