

## August 2008 Tip of the Month

### **A Tip from *The Benefits Expert***

**Did you know...**

#### **You may be eligible for free tuition at USF?**

The USF **Employee Tuition Program** (ETP) provides tuition for up to 6 credit hours per semester for full time USF employees in regular line positions. If you have been considering going back to school as an undergraduate or graduate student while working at USF, take a look at ETP.

You must be enrolled and accepted as a student at USF. Most classes are eligible for the waiver, although non-credit and some other courses are excluded. One nice feature of the program is that USF employees may register during the regular registration period for the semester. In addition, a number of fees are waived, too.
