

How to Report a Work-Related Injury or Illness

Effective January 1, 2014, all work-related injuries or illnesses are to be reported *immediately* by the supervisor or department designee by telephone to:

AmeriSys

The injured or ill employee should be present for the call so the employee's injuries or illness may be triaged and the appropriate medical care provided.

In case of emergency, call 911 for immediate medical care for the injured or ill employee. Then, the supervisor or department designee must call AmeriSys *immediately* at 1-800-455-2079.
