7. **AWARD**

Vendor’s proposals will be evaluated based on the requirements set forth in this Invitation to Negotiate. The University reserves the right to reject any or all proposals.

Vendors may be required to answer questions and may be required to conduct a site visit for the evaluation committee in order for the evaluation committee to inspect the proposed property first hand.

The award(s) shall be made by the University to the most responsive and responsible vendor whose final proposal is determined to be the most advantageous to the University taking into the evaluation criteria as set forth in the Invitation to Negotiate.

The University’s intent is to award on an “All-or-None Total Offer” basis.

8. **PROPOSAL TABULATION**

Vendors desiring a copy of the proposal tabulation for the Invitation to Negotiate may obtain a copy from the USF Purchasing web site [http://usfweb.usf/purchasing/purch2.htm](http://usfweb.usf/purchasing/purch2.htm) for 72 hours after the award is posted. Proposal tabulation will be available after the award and will be posted on the Purchasing website. The proposal tabulation is an accounting of initial proposal information received relative to requested information and may not include price information. Proposal results will not be given out over the telephone.

9. **THE INVITATION TO NEGOTIATE PROCESS**

The ITN process is a flexible procurement process that is used when highly specialized and or variable services or products are required. Negotiations offer an opportunity for selected Vendor(s) to discuss their responses with an evaluation committee. The goal of this comprehensive process is for identification of the optimal outcome or the solution that best meets the needs of the University. Only representatives of the participating Vendors who are authorized to negotiate and make agreements shall be involved in negotiations.

10. **EVALUATION CRITERIA**

Evaluation will be based on criteria identified in the Section III - Specifications. Any information a Vendor deems essential to the evaluation of the products/services offered, for which no provision is made in the ITN, should be clearly stated in the proposal. While the University reserves the right to request additional information or clarification from Vendors at any time in the process, Vendors should not assume that they will be allowed to amplify or modify their initial written proposal. The initial response must be a clear and easy to understand explanation of the products, services, benefits and prices offered and should include information as to how all specifications will be met.

11. **NEGOTIATION WITH VENDORS**

To identify vendors for negotiations, submitted proposals will be evaluated, presentations and property site visits may be requested, and references may be verified and reviewed. The University will compare the proposals according to the evaluation criteria described in SECTION III for the purpose of identifying vendors for negotiation. The evaluation criteria does not necessarily determine the best value for the university or the award to be made.

Vendors may be invited to continue in the negotiation process. Negotiations offer an opportunity for the selected Vendors to discuss their offers and proposals in further detail with the University. Selected vendors may be given the opportunity to refresh
Customer Relations Management System

their initial offers. Refreshed proposals allow vendors to match or exceed the offers made by competitors, both as to services and cost. This allows the University to secure services which best meet its needs, at a highly competitive and favorable cost. At the conclusion of this negotiation process, the University may ask selected vendors to submit a written best and final offer, to memorialize all agreements reached during negotiations and to extend additional benefits to the University, if desired. Invitation to submit a best and final offer is not automatic. After this negotiation a final Vendor(s) may be selected.

12. INVITATION TO NEGOTIATE FORM

All proposals shall be submitted using the University of South Florida Invitation to Negotiate form as a cover to be considered for an award of the proposal. The form shall be completed in ink or typewritten, signed by an authorized signatory of the Vendor and returned with the proposal in a sealed envelope. Vendor is responsible for marking the outside of the sealed envelope with the proposal number and the opening date.

The Invitation to Negotiate form and all related pages are a legal document and cannot be altered by the Vendor in any way. Any alteration made by a Vendor may disqualify the proposal and the response may be considered invalid. Any necessary changes to an Invitation to Negotiate document will be implemented by written addenda to the proposal issued by Purchasing & Property Services.

13. RIGHT TO NEGOTIATE

Upon evaluation of the responses, the University has the right to enter into negotiations with one or multiple Vendors that appear to have submitted proposal(s) that best meet the needs and requirements of the University. Negotiations could include but are not limited to price and the terms and conditions of this ITN.

If for any reason a Vendor(s) and the University cannot arrive at a mutual agreement that would result in the issuance of a contract, the University reserves the right to terminate negotiations, to reject the proposal(s), and to continue negotiations with other responsive Vendors that may lead to the issuance and award of a contract.

14. VENDOR’S RESPONSIBILITY

It is understood and the Vendor hereby agrees that it shall be solely responsible for all services that it proposes, notwithstanding the detail presented in the Invitation to Negotiate.

15. VENDOR’S EXPENSE

All proposals submitted in response to the ITN must be submitted at the sole expense of the Vendor, whether or not any agreement is signed as a result of this Invitation to Negotiate. Proposers will pay all costs associated with the preparation of proposals and necessary visits to campus and other required site visits.

16. NUMBER OF PROPOSALS SUBMITTED

Vendor shall submit one (1) original proposal—clearly mark as “original” and five (5) copies.
Customer Relations Management System

17. **PROPOSAL REJECTION**

The University shall have the right to reject any or all ITN proposals and in particular to reject an ITN proposal not accompanied by data required by the Invitation to Negotiate or an ITN proposal in any way incomplete or irregular including the omission of pricing information. Conditional ITN proposals may be considered non-responsive.

18. **OPEN COMPETITION**

The University encourages free and open competition among vendors. Whenever possible, specifications, invitations to negotiate, and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the University’s needs and the accomplishment of a sound economical operation. The Vendor’s signature on their ITN proposal guarantees that the prices quoted have been established without collusion with other Vendors and without effort to preclude the University from obtaining the lowest possible competitive price.

19. **ORAL PRESENTATION**

After ITN proposals have been opened, Vendors submitting ITN proposals may be requested, at the sole option of the University, to make oral presentations or provide written clarifications. Such presentations or clarifications will provide an opportunity for the Vendor to clarify the proposal. Oral presentations may be recorded. Recorded oral presentations and written clarifications will be affixed to the Vendor’s ITN proposal and become part of the same as if originally submitted.

20. **MISTAKES**

Vendors must check their proposals for any errors. Failure to do so will be at the Vendor’s risk.

In the event a mistake results in the written request of a Vendor withdrawing any part of the proposal, the Vendor must withdraw the entire proposal package and the University will not consider that proposal for award of ANY of the subject ITN. This applies to all requests for withdrawal. The only exception to this policy would be a case where the mistake was the result of misinformation unknowingly supplied by the University. In this event, a waiver of policy must be approved by Purchasing whose decision shall be final.

21. **RIGHT TO TERMINATE**

USF has the right to terminate, without penalty, this Agreement in the event a State or University-owned building becomes available to USF for occupancy for the purposes for which this space is being leased upon giving six (6) months advance written notice to the Lessor by Certified Mail, Return Receipt Requested.

22. **CANCELLATION**

For the protection of both parties all contractual obligations shall prevail for at least 90 days after the effective date of the contract. After that period, for the protection of both parties, this contract may be cancelled, in whole or in part, by either party by giving thirty (30) days written notice to the other party.

23. **FORCE MAJEURE**

No default, delay or failure to perform on the part of the either party shall be considered a default, delay or failure to perform otherwise chargeable, hereunder, if such default, delay or failure to perform is due to causes beyond either party’s reasonable control including, but not limited to, strikes, lockouts or inactions of governmental authorities; epidemics; acts of terrorism; war; embargoes; fire; earthquake; acts of God; or default of common carrier. In the event of such default, delay or failure to perform, any date or times by which either party is otherwise scheduled to perform shall be extended automatically for a period of time equal in duration to the time lost by reason of the excused default, delay or failure to perform.

24. **AVAILABILITY OF FUNDS**

The University’s performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.

25. **PAYMENT**

The University will make partial payment in the amount of the value of items or service received and accepted by the University in response to a request by the Vendor along with the submission of a properly executed invoice, and supporting documents (if required). The University shall issue the Vendor’s payment within 40 days (35 days for healthcare providers) after receipt of an acceptable invoice and receipt, inspection, and acceptance of goods and/or services provided in accordance with the terms and conditions of the purchase order/contract. The University’s preferred payment method is P-card. No additional charges will be accepted for use of P-card payment. Any penalty or delay in payment shall be in accordance with section 55.03, Florida Statutes. The University’s vendor ombudsman, whose duties include acting as an advocate for vendors who may be experiencing problems in obtaining timely payment(s) from the University may be contacted at 813-974-2481.

It is also a breach of ethical standards for any potential vendor to offer an employee of the University a gratuity of any kind, form or type to influence the development of a contract or potential contract for commodities or services.

The University reserves the right of unilateral cancellation for refusal by the Vendor(s) to allow public access to all documents, papers, letters, or other materials subject to the provisions of Chapter 119 and made or received by the Vendor(s) in conjunction with this resulting contract.

SECTION III: SPECIFICATIONS

1. BACKGROUND

The University of South Florida is one of the nation’s top public research universities. Located in Tampa Bay, a metropolitan region of multiple major cities, the USF System is comprised of four members: USF Tampa, the doctoral granting, research intensive member institution and three master’s level institutions, USF St. Petersburg, USF Sarasota-Manatee and USF Polytechnic. Total system enrollment is over 47,000 undergraduate, graduate, doctoral and non-degree seeking students.

USF Tampa is a diverse and culturally rich residential community with over 30,000 undergraduates and over 8,000 graduate and doctoral students. Our students represent every state in the nation, as well as over 150 different countries. The Office of Undergraduate Admissions (OUA) recruits, admits and enrolls incoming first time in college and transfer students with a staff of over 60 people.

The Office of Undergraduate Admissions currently uses Recruitment PLUS as its Client Relationship Management tool (CRM) to manage prospective student data, communicate with students, parents, guidance counselors, and other influencers and to track recruitment events and travel. With the scheduled sunset of Recruitment PLUS in 2013, USF is searching for a replacement CRM. The ideal CRM replacement will be web-based, integrate with SunGARD BANNER, and replace secondary systems currently in place for event management and large-scale email communications.

2. SCOPE OF WORK

a. Purpose

The USF Office of Undergraduate Admissions (OUA) is seeking a web-based CRM to replace our current CRM, Recruitment PLUS. As student information is received, the system should facilitate our ability to customize communication plans by desired attributes as defined by OUA and to analyze the effectiveness of multi-channel communication campaigns. In addition, statistical data reporting will be used to inform recruitment travel, and further refine market development.

The successful CRM tool will need to demonstrate efficiency for staff by streamlining routine data entry tasks, having a high ease of use for all technical skill levels, requiring no additional IT staff resources, and requiring minimal maintenance once implemented.
